Online Pre-Surgical History Instructions

Welcome to Utah Surgical Center. We're very pleased that you and your physician have chosen us to care for you.

To start the pre-operative surgical assessment process, Utah Surgical Center requests that you fill out your medical history online with **One Medical Passport**.

We recommend that you enter your medical history online **as soon as your surgery has been scheduled**. Once you do this, our pre-operative assessment nurse will be able to access the information you entered online. This information will assist the nurse in organizing and documenting your complete medical history to prepare for your surgery.

To begin your on line Pre-Surgical Assessment.

1. Go to our website www.utahsurgicalcenter.com.
2. Select Online **Pre-Registration** on the home page.
3. Click **One Medical Passport**.
4. Check the box to accept the **Terms of Use** and click **Register**.
5. Complete the registration and medical history screen click **Finish** to submit your Medical Passport to the medical facility.

Be sure to have the following information available before starting your Medical Passport:

- Your health insurance information.
- The names, addresses and phone # of your physicians.
- A list of all medications you are taking, their dosage and frequency.
- A list of surgical procedures you have had and their approximate dates.

Note: If you prefer not to submit your clinical history online, please call the facility 801.957.0200 for a telephone interview.

If you have any questions regarding your clinical history or the above procedures, please call us between 8 am – 4:30 pm Monday - Friday at 801.957.0200.

We look forward to serving you as our patient.
